## QUINTESSENTIAL TOWN&GOWN

---

This beautiful hotel in Cambridge city centre was a former University-owned building on Trumpington Street which has been transformed to enhance its many quirky architectural features.

Dating back in part to medieval times, Hotel du Vin Cambridge boasts a private events room perfect for special occasions, meetings and events and a cosy library. Alongside our spacious bistro is our first open-style kitchen and the meandering cellar bar.

The Bistro invites with framed pictures and paintings, soft lighting and comfortable chairs with heart warming and mouth watering dishes.

Of course, your Meetings and Events Manager will help suggest, plan and organise any event you want to host

The library has soft sofa seating areas for smaller discussion and to sink into for that well deserved after meeting cocktail or glass of wine.

The outdoor courtyard is a private enclosed area basking in the afternoon sun, perfect for an early evening drinks reception.

# THINGS TO DO

---

Historic Cambridge is one of the busiest tourist spots in the country with over three million visitors a year.

Famously Cambridge is home to one of the world's most prestigious universities. Some colleges, such as Peterhouse, dating back to the eleventh century and architectural styles from Gothic to Modern are represented.

Be inspired by the museums and art galleries; spot the stars of the future at a student theatrical production, or see a show at the Arts Theatre.

The city is a magnet to anyone with an interest in British history, coupled with punts gliding down the Cam, May Balls and cyclists everywhere foster the traditionally romantic image of Cambridge.

Cambridge is a delight to visit in any season: relax in its many riverside pubs, restaurants and cafes whilst exploring the independent shops around the historic market place.
