## H2VIN

H2Vin is passionate about bringing authentic, artisan wines to wine lovers. We work hard to uncover under-the-radar gems, which are some of the finest examples of their region and style, notably from France and Spain complemented by equally exceptional producers from around the globe. We pride ourselves on working mainly with smaller, family-owned wineries that are passionate about producing wines with a true sense of identity, including some of the best wines of the Loire and the Rhône. The company was founded in 2009 by Christian Honorez and Master Sommelier Matt Wilkin. Christian's extensive knowledge of the industry, coupled with his vast experience of sourcing authentic and individual wines, have earned him an enviable reputation in the wine world; whilst Matt has achieved international recognition as South Australia's first Master Sommelier and has won numerous accolades including UK Sommelier of the Year in 2005. The enthusiastic pair complement each other in every way and together have established H2Vin's enviable reputation for offering an exceptional range of wines to restaurants, hotels and independent wine merchants across the UK. For us, exemplary service is at the heart of everything that we do, sharing our wines at competitive prices with enthusiasm.

## BOUTINOT

Founded in 1980, UK based wine merchant Boutinot, today supplies wines to some of the most prestigious and successful hotels and restaurants in the country. Boutinot is very unique in the UK wine trade as not only it has exclusivity to over a hundred quality wine producers from around the world but it also owns vineyards and produces its own labels with properties in France, Italy, South Africa and England.

## LIBERTY WINES

Liberty Wines was founded by managing director, David Gleave MW in 1997 with a selection of outstanding producers from Italy, France, New Zealand and Australia. We now import premium wines from over 330 producers in 21 countries. As a carbon neutral business, and the International Wine Challenge's Merchant of the Year 2017, our values are firmly aligned with those of Hotel du Vin, but most important is our joint desire to welcome guests with high-quality wines and to share the wonderful stories of the people we work with.

## BIBENDUM

Bibendum's range of over 4,500 wines makes it the UK's leading wine specialist in the on trade. Our portfolio features wines from over 300 suppliers worldwide; from Ontario to Patagonia, from Kent to Tasmania. To complement our outstanding portfolio, Bibendum offers a Fine Wine service From Old World classics to rare New World bottlings, sourcing small parcels of ready-to-drink vintages, with an ever-changing list of wines. Customer insight is a key strength to the Bibendum business. ## ELLIS WINES

Ellis Wines is a family owned, family run company, that has been supplying the catering trade for nearly 200 years - since 1822! In that time, a wealth of knowledge and experience has been nurtured, allowing us to present an exclusive portfolio of over one thousand wines from around the world, mostly from small like minded family run estates. This creates what we hope is a strong partnership, both with our clients and our producers, many of whom we have traded with for over 100 years.

## CHÂTEAU BAUDUC

Château Bauduc is a lovely Bordeaux estate which was bought by Gavin and Angela Quinney. Since their first vintage in 2000 they have gained regular listings at leading UK restaurants. "The wine deserves it" writes Oz Clarke in his book 'Bordeaux'. "Red, pink and white, they are utterly drinkable, each possessing a classic, mouthwatering Bordeaux texture and easy going fruit."
