A photograph of a bar counter with various drinks and a bottle of Fever-Tree Tonic Water. In the foreground, there is a large pile of ice cubes on the left. To the right of the ice, there are three drinks: a martini glass with a dark liquid and a white foam top, a snifter glass with a golden liquid, and a large glass with ice, a slice of orange, and a slice of red fruit. To the right of the drinks is a small bottle of Fever-Tree Tonic Water. The background is a blurred bar with many bottles and glasses hanging from the ceiling.

EVENTS WITH A DIFFERENCE

Celebrate your birthday party, anniversary celebration, private event, hen do or stag night, and receive the VIP treatment with a wine tasting event just for you and your guests.

Select from different wine, whisky and cocktail experiences or contact our sommelier at the hotel to arrange a wine tasting tailored to your needs.

CLASSIC WINE TASTING

Let our sommelier guide you through the principles of a wine tasting, using three white and three red wines. Learn about the aromas and flavours of well-known as well as more eclectic grape varieties. Explore the world's wine regions, how different wines are made, and gain an insight into the wine world.
