## THE ORIGINAL CAPITAL CITY

---

Housed in the fine architecture of one of central Winchester's most important Georgian buildings dating back to 1715.

The hotel boasts twenty four luxurious bedrooms and suites each with their own character and style. The bistro forms the heart of the hotel and the stylish bar is perfect to enjoy drinks and canapés. In the warmer weather the delightful walled garden is an idyllic setting for drinks receptions and photo opportunities.

# WEDDING FOOD

---

When it comes to food, prim and formal gourmet dining we aren't. Relaxed, attentive and French bistro-inspired, we most certainly are.

Choose one of our set menus, put together your own with our 'Selector', or create your very own bespoke dining experience with our talented Head Chef. From simple or intricate canapés to wedding breakfasts, to informal buffets to five-course sit-down dinners, every mouthful is prepared using fresh, seasonal ingredients wherever possible.

A wedding archway is the central focus, heavily decorated with white hydrangeas and pink roses. The arch is supported by two wooden posts. In the background, a warm-toned wall features a lamp with a beige shade. The foreground is filled with out-of-focus floral arrangements, including white and pink flowers. A semi-transparent white geometric pattern is overlaid on the left side of the image.
