

Dog Walking in the Area

Wimbledon Common offers endless possibilities for days out walking with your pooch. Have a look below at some of our favourite options

For Dogs that like water

If your dog likes water, why not head down to Beverly Brook – this walk will take you about an hour and will allow your dog to play in the water. Please beware of the current as the water level can rise after heavy rainfall

Approximately 1 hour 15

For Dogs in need of a long walk

If you're in the mood for a long walk, you can head to Richmond park in just over an hour and see the deer that roam free in the park. Carry on to Richmond Gate and explore the beautiful riverside town where you'll also be able to jump in a cab back to Cannizaro House

Over 2.5 hours round trip or jump in a cab back from Richmond

For Dogs that like a break on their walk

If you'd just like a short walk with a break for tea in the middle, head to the Windmill which has a lovely teashop with a wide selection of treats for breakfast and lunch on the common. This walk should take you about 25 minutes to reach the Windmill and 25 minutes to get back

Approximately 50 minutes

For Dogs who don't want to venture too far

Right on your doorstep are the beautiful Cannizaro gardens. Ideal for a short stroll among the beautiful surroundings and within easy reach of a coffee or cocktail in the hotel
